## Core standard

**Dignity. Clarity. Belonging.**

## Boilerplate

CISAMN is a Minnesota-based nonprofit building dignity-centered pathways to belonging. We help residents, partners, and institutions complete next steps through multilingual access, warm handoffs, privacy-forward design, and practical systems adaptation. CISAMN does not provide legal, medical, clinical, or immigration advice; it educates, accompanies, and connects people to verified resources and safer next steps.
